

ATTENTION PATIENTS OF FLORIDA CARDIAC CONSULTANTS

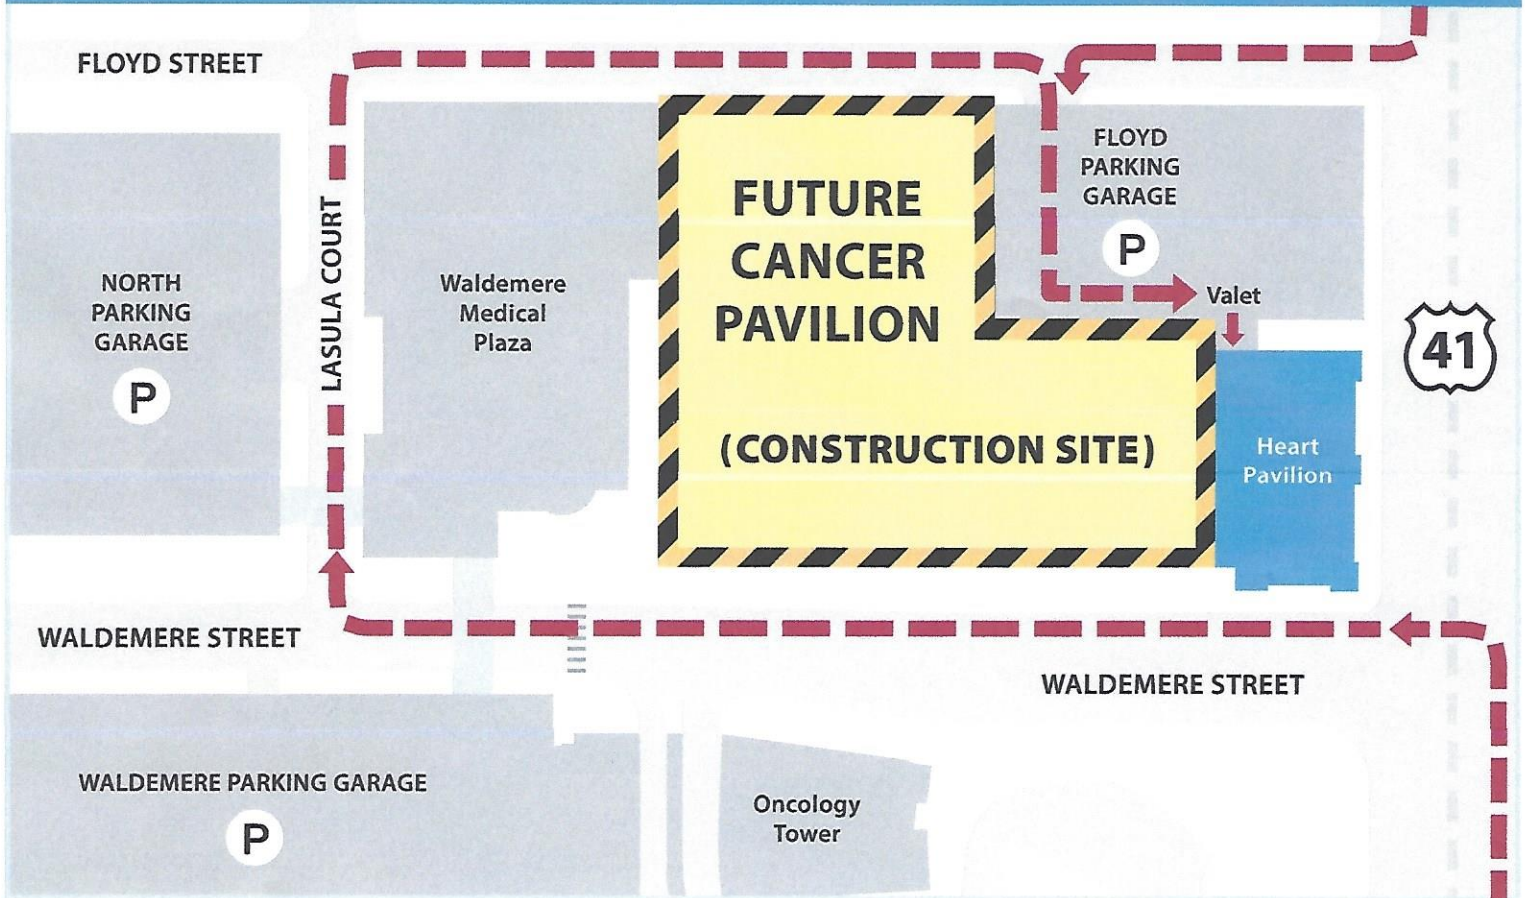

Effective Monday, March 18, the parking garage attached to our building (Heart Pavilion Building) will be closed in preparation for demolition.

Parking for the Heart Pavilion Building will be in the new garage off of Floyd Street (see attached map). Parking in this garage will be valet only. Let the attendant know that you have an appointment with Florida Cardiac Consultants, and they will direct you to the walkway to the lobby of our building on the first floor. Once inside the main lobby, take the elevator up to the 4th floor to our suite (401).

If you have mobility issues, please arrive an extra 15 minutes earlier than you normally would to account for the extra distance from the new garage to the lobby of our building.

Please note that per the parking map, patients heading north on 41 are highly discouraged from making a left onto Floyd Street. Make a left onto Waldemere Street and then turn right onto Lasula Court to access Floyd Street. You will then turn right onto Floyd Street, and the entrance to the garage will be on the right.

Heart Pavilion Parking

Directions to Access Heart Pavilion using Floyd Parking Garage & Free Valet*

To ENTER the Floyd Parking Garage:

Traveling South on U.S. 41:

- Turn right onto Floyd Street
- Turn left into the Floyd Parking Garage

Traveling North on U.S. 41:

- Turn left onto Waldemere Street
- Turn right onto Lasula Court
- Turn right onto Floyd Street
- Turn right into the Floyd Parking Garage

Heart Pavilion is accessible through the 1st floor of the Floyd Parking Garage

*Valet services are temporarily available during garage construction period and only offered during patient care/office hours.
